

OUR SINCERE THANKS!

Thank You Customers and Business Partners!

Last month, Bituminous Roadways hosted a customer appreciation event at Canterbury Park. This is the highlight of our year as we get to sit down with our constituents and build stronger relationships. The evening went quickly, but a good time was had by all. Thank you for your continued business and we look forward to working with you all in the future!

Last Chance!

Before you know it, winter will be here and your window for asphalt paving and maintenance will have closed. Call now for a free estimate and get your projects completed before the snow flies.

PROJECT PROFILE: Central Park Commons

Location: Eagan

Central Park Commons is a mixed-use commercial development project located in Eagan. The real estate developer, CSM Corporation, called on BR to handle grading and paving of more than 100,000 sq. yards of parking lots and roadways. This equates to more than 20,000 ton of asphalt! The anticipated project completion is this fall.

BR NEWS: MN Adult & Teen Challenge Donation

Bituminous Roadways recently donated 320 tons of asphalt, equating to nearly \$15,000 to MN Adult & Teen Challenge for a new parking lot installation at their Minneapolis campus.

"Our mission at Bituminous Roadways is to do what we can to give back to the community," states owner, Kent Peterson. "We are proud to be partners with numerous organizations, especially with MN Adult & Teen Challenge as they are neighbors to our Minneapolis asphalt facility."
