

## SPRING IS HERE!

### Welcome to the 2017 construction season!

As the weather begins to get warmer, Bituminous Roadways is gearing up for the spring season. We've been busy answering phone calls, performing pavement assessments, and preparing bids. If you're in need of spring asphalt work, call now and your project may be eligible for the Early Bird special!

BR specializes in asphalt maintenance:

- cracksealing
- patching
- sealcoating
- overlaying

As well as new construction:

- parking lots
- trails and pathways
- highways and streets
- athletic and special surfaces

Call 651-686-7001, for a free estimate. Early Bird savings applies to projects scheduled for completion by June 16, 2017.

## WHAT ARE BR CUSTOMERS SAYING?

"I would like to thank the whole team for a successful completion to this lot rehab project! We now have a new parking lot with more spaces and a safe, smooth surface! Thanks for the great work!"

## PROJECT PROFILE: Eagan Woods Office Center

### Location: Eagan

The Eagan Woods Office Center project was a remove and replace of 4,415 SY of asphalt. There was significant alligator cracking throughout the lot and water pooling in some areas. Bituminous Roadways removed and replaced 20 LF of curb and gutter, laid nearly 1,000 tons of asphalt, and installed parking lot striping.

### Youth Art Month

In honor of Youth Art Month, BR would like to thank all the kids who drew pictures for the 2017 BR calendar. Every fall, we ask children and grandchildren of BR employees to draw pictures of what they believe BR does. We then use these drawings for the calendar. You may even have one hanging in your office!

Thank you:  
Dylan, Chloe, Emerson,

This past December, BR was awarded with a National Asphalt Pavement Association (NAPA) Quality in Construction Award. This award recognizes exemplary quality in asphalt pavements. The category for which we won the award was pavements using less than 50,000 tons of asphalt and the project was the Hastings Public Schools Parking Lot Reconstruction. We are proud to be a QIC award winning company!
