Bituminous Roadways, Inc. Donates Asphalt for New Parking Lot

MENDOTA HEIGHTS, MINNESOTA – Bituminous Roadways, Inc. recently donated 320 tons of asphalt, equating to nearly \$15,000, to MN Adult & Teen Challenge for a new parking lot installation at their Minneapolis campus.

This one day project was unique in that competitors worked together to provide a local non-profit organization with a much needed parking lot installation, which would've normally been cost-prohibitive. The work was performed on Wednesday, July 6, 2016 by crews from Midwest Asphalt Corporation of Eden Prairie, using asphalt from a local Bituminous Roadways facility.

“Our mission at Bituminous Roadways is to do what we can to give back to the community,” states Owner, Kent Peterson. “We are proud to be partners with numerous organizations, especially with MN Adult & Teen Challenge as they are neighbors to our Minneapolis asphalt facility.”

MN Adult & Teen Challenge is grateful for the donation. “Our focus is on our residents and assisting them through this life transition,” states Executive Director, Rich Scharber. He adds, “Without donations from companies like Bituminous Roadways, we wouldn’t be able to help as many people as we do.” The mission of MN Adult & Teen Challenge is to assist teens and adults in gaining freedom from chemical addictions and other life controlling problems by addressing their physical, emotional and spiritual needs.
