

CELEBRATING 70 YEARS!

Thank You Customers and Business Partners!

On May 20, Bituminous Roadways celebrated a corporate milestone - being in business for 70 years. The celebration was amazing and we thank all of our customers and business partners who attended. From the beginning, BR has been committed to transforming the asphalt paving industry, by:

1. Providing superior pavement solutions at the best value to the customer.
2. Being the best at what we do through the efforts of a skilled workforce using the latest equipment, technology and materials.
3. Providing a safe, accident free work environment.

We appreciate your business and look forward to working with you again. Have a great summer!

GET IT WHILE IT'S HOT!

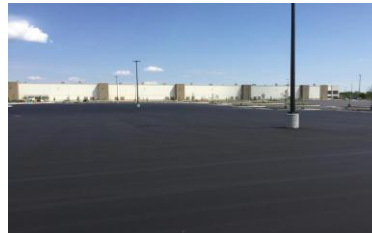

Now is the time to request a quote on any asphalt paving and maintenance projects for August or September.

PROJECT PROFILE: Amazon

Amazon Fulfillment Center

Location: Shakopee

The Amazon Fulfillment Center was a new construction project generated by Ryan Companies US, Inc. with a total paving area of 102,840 square yards. This equals nearly 25,000 tons of asphalt.

BR NEWS: New Milling Machine

Bituminous Roadways is proud to announce the addition of a new WIRTGEN W 210i milling machine in 2016. By acquiring this machine, we can increase job efficiencies offering our customers maximum performance.

Proudly serving
the Twin Cities
since 1946.
