

2018 BUDGETING

As the new year quickly approaches, it's time to start thinking about your pavement maintenance plan for 2018. Does your lot need cracks sealed? Have you noticed more potholes this year? Perhaps a reconstruct is the best option?

At BR, we have staff on hand year round to assist you in planning for 2018. This could include conducting a pavement assessment or providing you with a free estimate for budgeting purposes.

If you have a project you'd like us to take a look at, please complete the [Request a Consultation](#) form or call 651-686-7001. A BR representative will be in touch with you regarding your asphalt pavement needs.

Thank you!
BR Management

WHAT ARE BR CUSTOMERS SAYING?

"BR crews were professional and on time, great job! I am very pleased with the results. This is our second time having your company do the work, AAA+."

PROJECT PROFILE: Har Mar Mall

Location: Roseville

The south and southeast parking lots of Har Mar Mall (circa 1963) received a face lift this summer. The project was divided into two phases as to lessen customer disruption. Also, BR provided maps to the mall tenants showing the work schedule so they could prepare as well. BR crews started with the south lot in front of Cub Foods, then moved to the southeast lot in front of Burlington Coat Factory. In its entirety, the project included nearly 17,880 SY of pavement. BR milled and paved this project in just nine days. Approximately 4,000 tons of asphalt was used to complete the project. The photos below feature the southeast parking lot.

BR NEWS: Lunch and Learn Opportunities

In an effort to connect with our customers and provide an insight into asphalt paving, BR has created a Lunch and Learn Seminar opportunity. If you would like to learn more about pavement design or distresses, along with maintenance techniques click [here](#) to schedule your seminar. If there are other topics you'd like to learn about, we'd be happy to put together a customized presentation for you as well. The great thing is, we'll provide lunch (or breakfast)!
