

Archdiocesan Partnership

The full-service asphalt pavement solutions partner to the Archdiocese of Saint Paul and Minneapolis

Did you know Emmaus Partners (formerly Catholic Finance) offers a cooperative purchasing program to Archdiocesan parishes and schools? This consolidation of purchasing power of all Archdiocesan entities as one national account affords many benefits. Bituminous Roadways, Inc. has been a long-time partner with Emmaus Partners and is a proud cooperative purchasing vendor, with a long history of servicing many parishes and schools throughout the Twin Cities Metro area.

Emmaus Partners - Cooperative Purchasing Benefits

Offering Value | Saving Time + Money

- **Value:** Emmaus Partners provides an effective screening process to ensure high quality products and services
- **Time:** Since Emmaus Partners vets cooperative purchasing partners, the research is done for you
- **Money:** Volume Discounts Create Savings

How Bituminous Roadways Can Help

We are a full-service asphalt pavement solutions provider servicing customers throughout the Twin Cities Metro area. From pothole repair to complete reconstruction, no job is too big or too small for BR. Some of core competencies include:

- Asphalt paving for new and existing sites
- Patching/pothole repair
- Cracksealing
- Concrete repair
- Drainage structural corrections
- Grading
- Mill + Overlay
- Excavating and site prep
- Installing underground utilities

For a free assessment, complete the "Free Consultation Form" on the BR website or visit Emmaus Partner's website for more information.
