Minnesota Family Business Awards Recipients Announced by *Twin Cities Business*

Minneapolis, Minn. (Aug. 10, 2021) — *Twin Cities Business* has selected the 2021 recipients of its Minnesota Family Business Awards. These annual awards recognize outstanding multi-generational family-run businesses and the value they add to Minnesota's economy and quality of life. Companies must complete an extensive application to be considered, and they are evaluated not only for their financial success but their governance, transition plans, business accomplishments and community impact. Our judges include experts from the Family Business Center at the University of St. Thomas Schulze School of Entrepreneurship, Hubler for Business Families and Fredrikson & Byron.

This year's winners are:

Bituminous Roadways
Delta ModTech
Estes Enterprises
Reclaim Center
Glenwood State Bank

Our finalists are:

Broders' Restaurants
Elsa's House of Sleep
Groebner
Hewitt Docks, Lifts and Pontoon Legs
Sever's Fall Festival

All of the honorees will be featured in the October/November issue of *Twin Cities Business* and celebrated at an awards ceremony, October 28 at the Hyatt Recency in Minneapolis. Find more information online at tcbmag.com/events/mfba21/
